MONOLOGUE 1

One of the former pledges describes his experience trying to get into Po Psi Broke.

FRAT/SOROR MEMBER

You know, round bout 2 semesters ago. I tried to make it into Po' Psi Broke. Almost got in too...

When I first saw them I knew I was too rich. I had a moped, so I gave it away. Took all my video games, PS4, and practically begged people to take them from me. Then, I stopped going to my weekly doctor's appointments because having insurance isn't cool with them neither! I got that Zika ya know... Hell, I even moved out of the dorms and slept in a sleeping bag out on MLK! [BEAT] But they found out that I made minimum wage... That's way too rich for Po' Psi. Way too rich...

PLEDGE

Yo! The Psi's gave me a bid, bro/sis! I'm pledging Po' Psi Broke now! I know right...

Listen, we've got a secret meeting coming up...[BEAT] No, bro, it's a secret meeting. No one ever, ever never is ever gonna find out that the meeting is over at their abandoned house OR that the secret password is Year Old Ramen. It's just not gonna happen!

Ok, Ant! Talk to you later, man! No, I'll call next month when I get some quaters! Don't get shanked, ya hear? Ok. Deuces.
