

TESS SIDES

1

Tess (18-21, naive, wanting to prove himself, a gullible, upper middle-class freshman who is not happy with his situation in life)

Tess nervously comes up to the members of Po Psi Broke and encounters their leader, Phil.

TESS

Hi.

Po' Psi stops laughing and stares at Tess.

TESS (CONT'D)

So, I saw you guys stepping the other day and it was great, really great!

Po' Psi continues to stare at him.

TESS (CONT'D)

So, I ummm... I thought that... the way you guys... I wanna join Po' Psi!

Phil evaluates him. Walks around Tess, while looking him up and down.

PHIL

What the... Ya'll see this?

He points at Tess' ears.

PHIL

Earrings? This boy has the money for earrings!!

TESS

Oh these! Pshh, they're-

CISSY

He ain't broke! Nuh-uh! He so rich he shits out gold bars!

Laughter starts.

TESS

But, I'm not rich!

FRESH

(mocking)

"I'm not rich! I can't even afford to put gas in my airplane!"

TESS

No, see, the earrings are-

YARVIS

He's so rich Trump wants him to replace
Ben Carson!

PHIL

You got money, boy... Listen, you don't
belong in Po' Psi Broke. Maybe you
should go look at Kappa Alpha
Betterthanyou. They might even have
matching earrings!
